LIGHT CONNECT ALL

The theme "LIGHT CONNECT ALL" is utilized to present visitors with a feast of parent-child joy and local culture through lights at the 2025 TAIWAN LANTERN FESTIVAL IN TAOYUAN. The cityscape of Taoyuan is reflected in the mirror-like ponds, narrating its story with twinkling lights. The features of Taoyuan, known as a happy city, are woven with the lights and shadows projected onto the ponds.

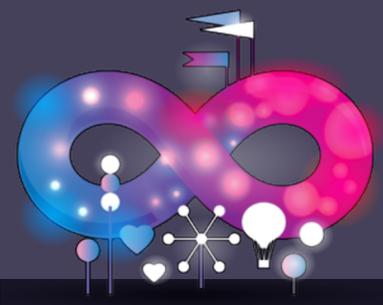

Lights Playground

The 2025 TAIWAN LANTERN FESTIVAL IN TAOYUAN is set to stand out as an interactive and engaging playground. Five major lantern zones—"Vibrant Light Hub," "Bright Horizons Theater," "City Spotlight," "Welcome to Chintan Park," and "Fortune's Glow"—draw on creative installations and interactive technology to craft a fun-filled experience. In this fantastic space, visitors will discover beauty and joy in the interplay of light and shadow. Imagination and creativity are set to be awakened as everyone is invited to explore the endless possibilities of the festival.

Main Lantern Exhibition Area

Drawing inspiration from the design of a baseball stadium, the festival expands on three core themes—"The Joy of Livable Communities," "The Goodness of Global Sustainability," and "The Convergence of Top-Notch Innovation"—to create six captivating light zones: "Island Beacons," "Joyful Mood," "Lanterns of the World," "Creating Technology Trends," "Sustainable Taiwan," and "Craftsmanship Star." These zones come together to showcase the splendor of Taiwan's Lantern Festival, sharing its brilliance with the world.

Main Lantern

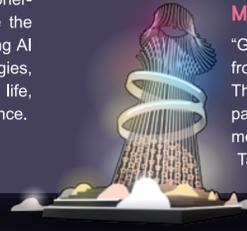

The main lantern, themed "PARADISE," is a groundbreaking creation that adopts a modern abstract design, combining spherical and geometric shapes to evoke the imagery of a futuristic paradise. Using AI and an array of cutting-edge technologies, it brings vibrant visual storytelling to life, offering a rich and immersive experience.

Main Lantern Show:
Daily from 6:00pm to 9:30pm, with a performance every 30 minutes.

Traditional Auxiliary Lantern

"Fuyao Dragon" draws inspiration from Taoyuan's renowned landscape of countless ponds and the saying, "With rain and clouds, the dragon ascends—never confined to the pond." This installation seamlessly blends traditional beliefs with a modern visual language, embodying the mythical creature's role as a harbinger of renewal, prosperity, and boundless possibilities in the year to come.

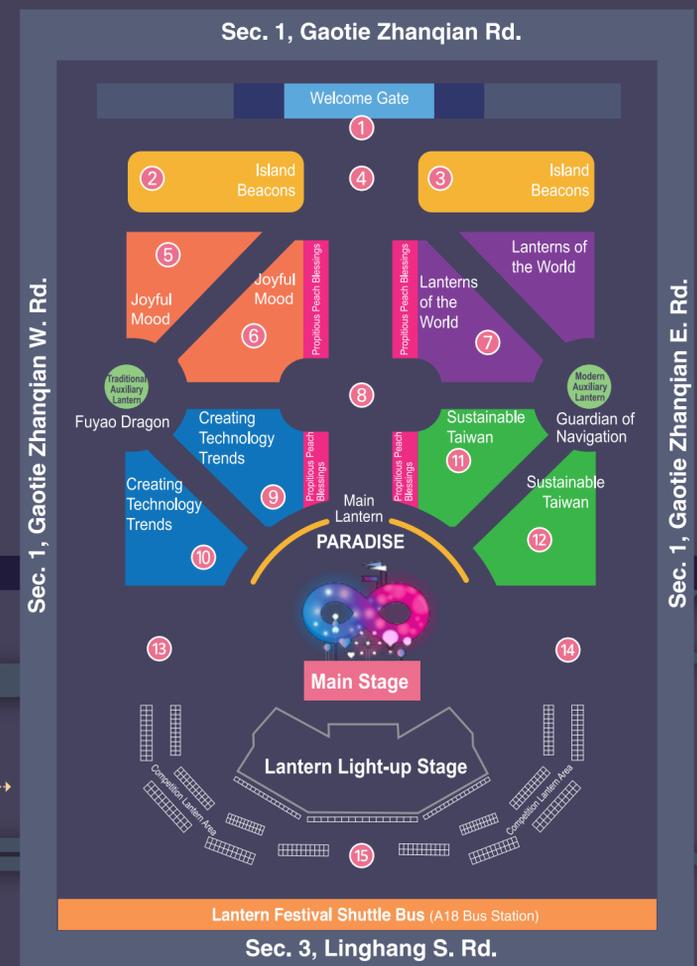

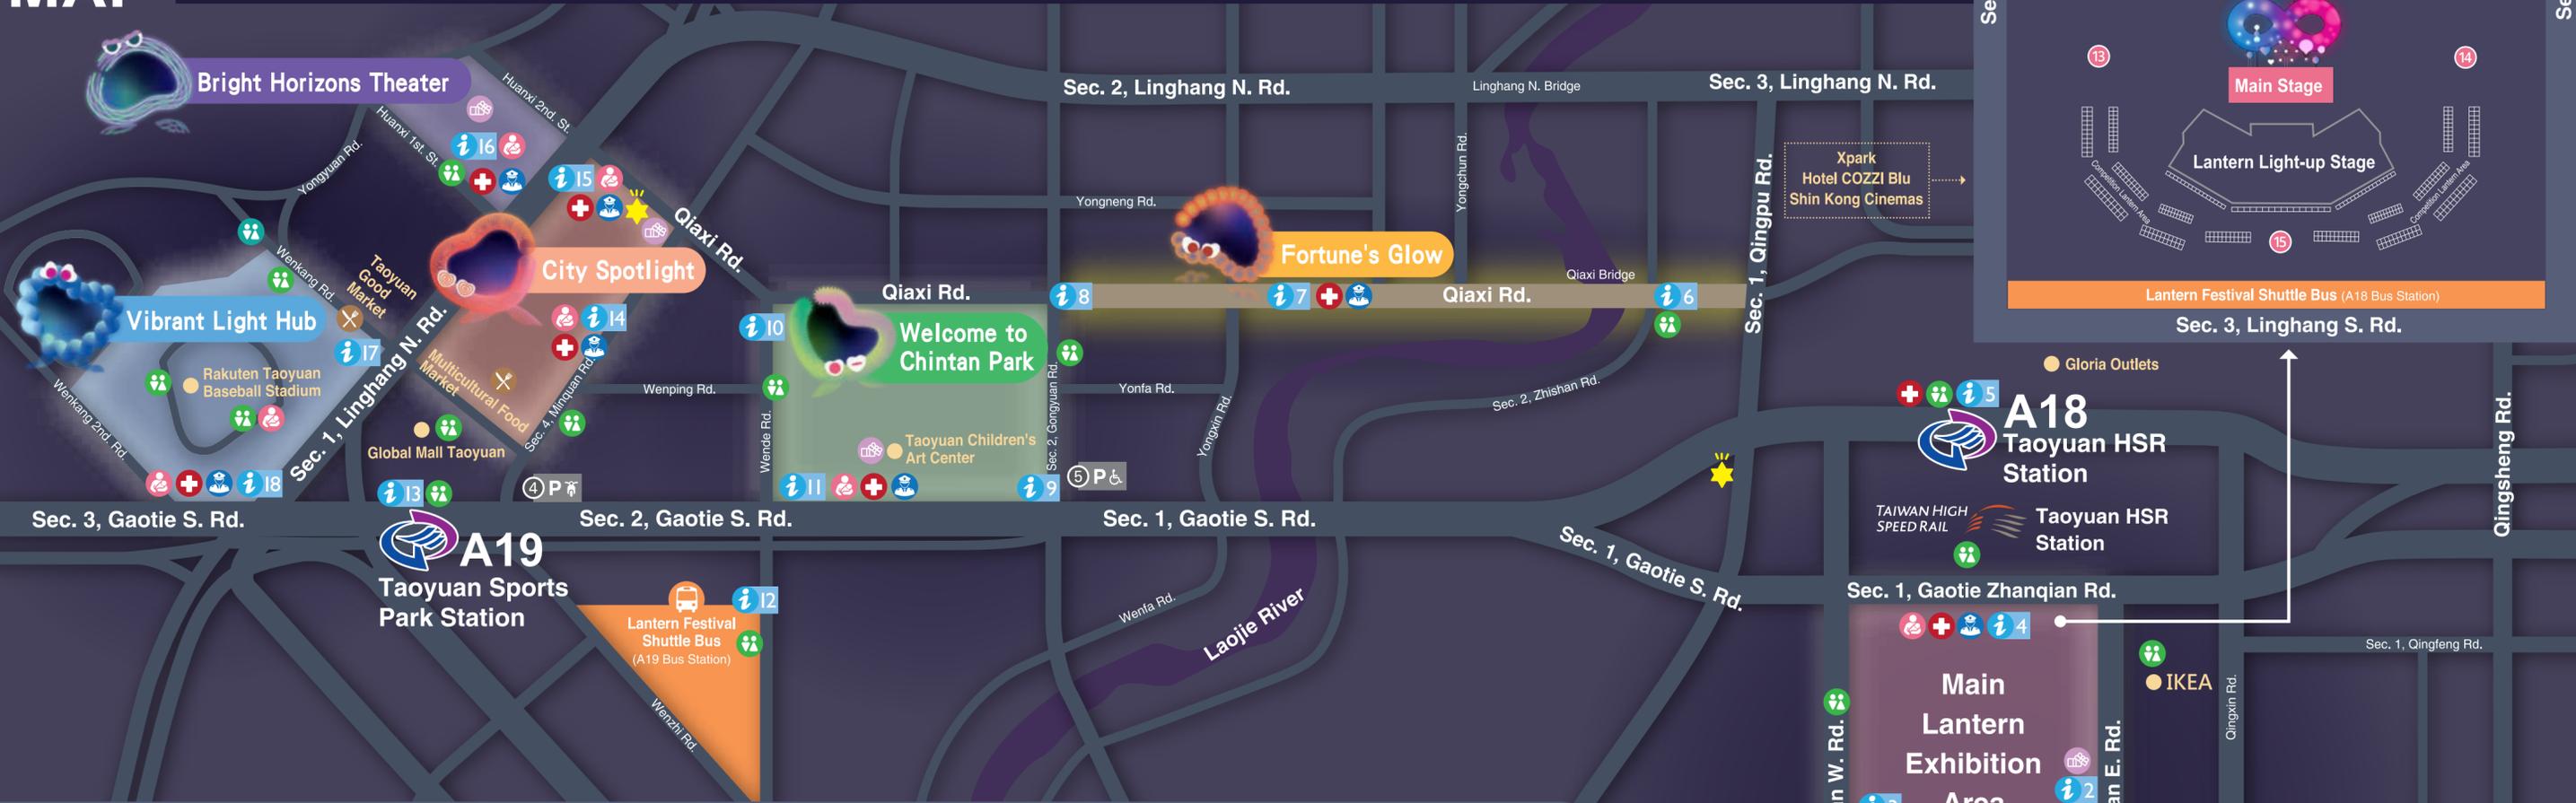

Modern Auxiliary Lantern

"Guardian of Navigation" takes inspiration from the control tower of Taoyuan Airport. This stunning installation combines lighting, paper-cutting art, and music to create a mesmerizing feast for the senses, reflecting Taoyuan's deep cultural roots while showcasing its energy and aspirations for the future.
